Abstract: The National Assessment of Educational Progress (NAEP) is a federally authorized survey of student achievement at grades 4, 8, and 12 in various subject areas, such as mathematics, reading, writing, science, U.S. history, civics, geography, economics, and the arts. In the current legislation that reauthorized NAEP (The No Child Left Behind Act of 2001 (Public Law 107-110)), Congress mandated again the collection of national education survey data through a national assessment program.

The 2010 Wave 1 submittal contains the student background questionnaires being used in the 2010 assessments: grades 4, 8, and 12 core (demographic) and subject-specific (civics, geography, U.S. history, writing, and mathematics), as well as the grades 4 and 8 teacher questionnaires; and the grades 4, 8, and 12 school questionnaires.

This information collection is being submitted under the Streamlined Clearance Process for Discretionary Grant Information Collections (1894-0001). Therefore, the 30-day public comment period notice will be the only public comment notice published for this information collection.
